MEDIA ADVISORY

**North Dakota Department of Health schedules media conference call
to discuss results of blood lead level study**

BISMARCK, N.D. – To answer media questions about the results of the blood lead level study conducted with the U.S. Centers for Disease Control and Prevention, the North Dakota Department of Health will hold a telephone media availability conference call Wednesday, Nov. 5, 2008, at 3:30 p.m. The following officials will participate in the 3:30 p.m. conference call:

- Dr. Stephen Pickard, epidemiologist, North Dakota Department of Health
- Terry Steinwand, director, North Dakota Game and Fish Department
- Dr. Andrea Grondahl, director, State Meat and Poultry Inspection Program, North Dakota Department of Agriculture

To connect to the conference call, the media is asked to dial 866.637.9769. If you have trouble connecting, call 701.328.2378.

Members of the media who wish to attend in person can meet at 3:30 p.m. in AV Room 212 on the second floor of the Judicial Wing at the State Capitol Building, Bismarck, N.D.

A news release about the study results will be sent to the media shortly before the conference call.

For more information about the conference call, contact Loreeta Canton or Stacy Eberl, public information officers, at 701.328.2372.
